FINANCIAL POLICY

We are committed to providing you with the best possible endodontic care. We also want to serve you in a manner which is as comfortable and pleasant as possible. In order to achieve these goals, we need your assistance and your understanding of our payment policy. We will gladly discuss your treatment, giving you as accurate an estimate as possible and answering any questions that we can about your dental insurance.

We want you to understand that the extent of your insurance benefits is defined in a contract between you, your employer and an insurance company. We are not a party to that contract. As your endodontic care providers, our relationship is only with you, not your insurance company. The filing of insurance claims is a courtesy that we extend to our patients, however all charges are ultimately your responsibility. We will help you by submitting your insurance claim form. Full payment of your portion is due at the time of treatment. We accept cash, check, all major credit cards and Care Credit.

Our most common fees are:

An exam, diagnosis & imaging fee will be charged to all patients $119-$289

Anterior $785 Bicuspid $885 Molar $1015 Surgery $1040-$1240

Anterior retreatment $985 Bicuspid retreatment $1085 Molar retreatment $1265

Please speak to our receptionist prior to treatment if you are unable to pay your portion.

By signing below that you acknowledge and you agree you understand the information above to be responsible for payment of all costs, including any collection fees.
